

# taskIt

A Sweet Development App

## Terms of Service and Privacy Policy | Effective 5/1/17

Pay attention to this, it's important:

### Terms of Service:

#### 1. Terms

By downloading taskIt or using any of our products, you are agreeing to be bound by these terms of service, all applicable laws and regulations, and agree that you are responsible for compliance with any applicable local laws. If you do not agree with any of these terms, you are prohibited from using or accessing any taskIt products. The materials contained in this application are protected by applicable copyright and trademark law.

#### 2. Definitions

- **Application** refers to a piece of software, which can be downloaded to a device such as a smartphone or computer, written for a certain purpose.
- **taskIt Products** refers to any software or merchandise related to the taskIt name or the Sweet Development name. For example, the taskIt mobile application or the taskIt website.
- A **task** is an item within the taskIt mobile application which users may create to help remind them to complete a responsibility.
- An **event** is an item within the taskIt mobile application which users may create to remind them of an occasion. Tasks can be added to events.
- **Hyper Focus**, which may also be referred to as Hyperfocus within source code, is a feature within the taskIt mobile application which has a goal of helping the user avoid distractions while completing a task.
- **Shared Events** are events which the user has decided to add collaborators to. These events allow multiple taskIt users to edit the same event.

### **3. Use License**

- a. Permission is granted to download one copy of the taskIt application for each device one owns or has permission to use for personal, non-commercial use only. This is a grant of a license, not a transfer of title, and under this license you may not:
  - I. Modify or copy any of taskIt's products;
  - II. use the materials for any commercial purpose, or for any public display (commercial or non-commercial);
  - III. attempt to decompile or reverse engineer any software contained in taskIt's mobile application or website;
  - IV. remove any copyright or other proprietary notations from the materials; or
  - V. transfer the materials to another person or "mirror" the materials on any other server or device;
  
- b. This license shall automatically terminate if you violate any of these restrictions and may be terminated by taskIt or Sweet Development at any time. Upon terminating your viewing of these materials or upon the termination of this license, you must destroy any downloaded materials in your possession whether in electronic or printed format.
  
- c. taskIt developers reserve the right to disable or delete a user account at any time if suspicious activity is suspected. In this situation, this license shall automatically terminate.

### **4. Disclaimer and Warranty**

- a. taskIt products are provided on an 'as is' basis. taskIt makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties including, without limitation, implied warranties or conditions of merchantability, fitness for particular purpose, or non-infringement of intellectual property or other violation of rights.
- b. Further, taskIt does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of any of its products or otherwise relating to such materials or on any sites or services linked to this product.

## **5. Limitations**

In no event shall tasklt or its suppliers be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use for inability to use tasklt products, even if tasklt or a tasklt authorized representative has been notified orally or in writing of the possibility of such damage. tasklt is also not responsible for any charges from use of cellular data. Because some jurisdictions do not allow limitations on implied warranties, or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

## **6. Accuracy of materials**

The materials appearing in tasklt products could include technical, typographical, or photographic errors. tasklt does not warrant that any of the materials on its website are accurate, complete or current. tasklt may make changes to products at any time without notice. However, tasklt does not make any commitment to update the materials.

## **7. Links**

tasklt has not reviewed all of the services linked to tasklt products and is not responsible for the contents of any such linked site or service. The inclusion of any link does not imply endorsement by tasklt of the site or service. Use of any such linked website or service is at they user's own risk.

## **8. Modifications**

tasklt may revise these terms of service for its products at any time without notice. By using tasklt products you are agreeing to be bound by the then current version of these terms of service.

## **9. Governing Law**

These terms and conditions are governed by and construed in accordance with the laws of New York and you irrevocably submit to the exclusive jurisdiction of the courts in that State or location.

## Privacy Policy:

taskIt values your privacy.

It is taskIt's policy to respect your privacy regarding any information we may collect while operation our products. Accordingly, we have developed this privacy policy in order for you to understand how we collect, use, communicate, disclose, and otherwise make use of personal information. We have outlined our privacy policy below.

- We will collect personal information by lawful and fair means and, where appropriate, with the knowledge or consent of the individual concerned.
- taskIt uses the Google Firebase service as a backend service. (<https://firebase.google.com>) This means that all personal information collected from a user are stored in a Firebase database.
- We will collect and use personal information solely for fulfilling those purposes specified by us and for other ancillary purposes, unless we obtain the consent of the individual concerned or as required by law.
- Personal data should be relevant to the purposes for which it is to be used, and, to the extent necessary for those purposes, should be accurate, complete, and up-to-date.
- We will protect personal information by using reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use or modification.
- We will make readily available to customers information about our policies and practices relating to the management of personal information. We will only retain personal information for as long as necessary for the fulfillment of those purposes.
- We will only retain personal information for as long as necessary for the fulfillment of those purposes.

### What information do we collect about you and why?

All information we collect about you is collected directly from you. In order to use taskIt, you are required to create an account with a valid email address and password. Your email address is kept private and cannot be seen by any other users of taskIt. Email addresses are viewable taskIt developers and used for identification in the database only. Passwords are NOT viewable to taskIt developers and can only be changed through a password reset email. We collect this information from you to store your account and account information. Your email address may become viewable to other users if and only if you are both collaborating on a shared event. In

this case, you will be able to see the email addresses of the users you are collaborating with. Your saved tasks and events are kept private and not viewable to other users. Only shared events are viewable to other users you are collaborating with.

### **What do we do with your information?**

All of your information will remain in our Firebase database and stay there. We will never sell or distribute your information to anyone or any other service.

### **Who can use taskIt?**

taskIt products are not designed for children under the age of 13. If it is discovered that a child under the age of 13 has provided us with personal information, we will delete their information and account from our database.

### **Contact Us**

If you have any questions about our privacy policy or have a complaint, you may contact us at [contact@taskit.info](mailto:contact@taskit.info) or go to [sweetdevelop.com](http://sweetdevelop.com).

We are committed to conducting our business in accordance with these principals in order to ensure that the confidentiality of personal information is protected and maintained. This police is current as of the date above. We may change this policy from time to time so we suggest that you check back periodically. If we do change this privacy policy, we will do our best to provide you with a notice that our policies have changed.
